

Appraisal Report

As of July 20, 2018

Make	Chevy
Model	Nova
Year	1969
Body Style	2 Door
VIN	113279XXXXXXXX
Mileage	XX,XXX Miles

Exterior

Paint

Colour	White.
Condition	The paint is an older repaint having a strong colour and good shine. The paint is in excellent condition having only one very light scratch on the left front fender.

Body

Appearance	All panels are very straight and clean, with no waving or signs of damage. There is a body style crease in the center of the hood. There are two chrome grills near the center of the hood located close to the windshield. The front of the vehicle has a large chrome bumper and grill. The tops of the front fenders are higher than the hood and have a small pointed fin. There are small body style flares around the wheel arches. There is a body style crease running the length of the vehicle approximately 6" up from the bottom of the vehicle. The vehicle is equipped with chrome front and rear bumpers and rearview mirrors. There is chrome trim surrounding the windows that has been painted black.
------------	---

Alignment	Doors, hood and trunk lid close and latches smoothly with an even spacing around.
-----------	---

Seals

All seals are original, soft to the touch and in excellent condition with no cracks, rips, or signs of wear.

Glass

The front windshield has been replaced. All other glass has factory markings in excellent condition with no scratches or chips.

Mirrors

All mirror glass is in excellent condition, clear, with no scratches or silvering.

Chrome

Grill The chrome grill consists of a series of horizontal bars located between the headlights. There is a wide chrome trim surrounding the grill and headlights. The chrome grill and trim is in excellent condition with no chips, scratches, or dents.

Body Trim The windshield trims are in excellent condition, straight with no pitting, dents, scratches or discolouration.

Bumpers The chrome on the front and rear bumpers are in excellent condition, straight, no pitting or scratches.

Lights and Lenses

All lights and lenses are excellent, sound condition, with no cracks or discolouration.

Interior

Seats

Colour Black vinyl.

Condition The split bench seats are original, in excellent condition and have been recovered. The seats have three panels separated by black piping. The outer panels are of a plain grained vinyl. The center panel has a series of embossed vertical lines. The front seats are fitted with adjustable headrests. The seat vinyl is in excellent condition having a good colour with no cuts, or scratches. The seat foam is soft and easy to compress.

Carpeting

Colour Black.
Condition The wool carpeting has been replaced having a low looped pile with a strong colour. The carpeting is in very good condition with no soiling or stains, and no signs of wear. The carpeting fits correctly under all trim panels and there are floor mats in place.

Door Panels

Colour Black.
Condition The door panels are original sheet vinyl with a molded and padded armrest. The door panels have a series of embossed horizontal lines, with a vertical chrome accent trim near the front of the panel. All components of the door panels are in very good condition with no scratches or rips. There is a speaker in the lower front corner of the door panels.

Seat Belts

Colour Black.
Style Retractable with detachable shoulder harness.
Condition The belts function correctly, in good condition with no fading or signs of wear.

Dash Board

Condition The top of the dashboard is molded black vinyl that rolls over and becomes part of the front on the passenger's side. There is a raised portion over the instrument cluster and a fresh air vent in the center of the dashboard. Below the molded top there is a black metal panel that houses the glove box. The instrument cluster is black plastic. The dashboard top has been replaced. The dashboard is original with all its components in excellent condition.

Gauges There are the factory fuel and speedometer gauges along with a series of warning lights. All gauges appear to be in working order. There are aftermarket oil pressure, ammeter and water temperature gauges mounted under the dashboard. There is a tachometer mounted in the dashboard replacing the clock.

Radio

The radio is a Kenwood AM/FM, CD, USB, Bluetooth with dash mounted speakers.

Engine Compartment

Appearance The under hood area has a light layer of road dust. Firewall, inner fender wells, and radiator support are painted black with no signs of surface rust. The under side of the hood is painted black. All cooling hoses have been replaced. The windshield washer bottle is a factory original style. The factory wiring harness is in place and is in good condition.

Engine The engine is a V8 cylinder 327 CID with four barrel carburetor; high rise aluminum intake manifold and electronic ignition. The engine has a cast iron engine block and cylinder heads that are painted orange. The rocker covers are chromed stamped steel with a Chevy logo and "Chevrolet" embossed on the top. The air filtering is chrome with a "K&N" air filter. The distributor cap, spark plug wires and spark plugs have been recently replaced. There are tubular exhaust headers that have a layer of surface rust.

Under Carriage

The under side of the vehicle has been undercoated, and has no signs of surface rust or damage.

Suspension

Ride height is good is even on all four corners. This vehicle is equipped with power steering and front power disc brakes. The vehicle is fitted with rear slide bars.

Tires & Wheels

Tires The tires are "BF Goodrich Radial T/A" radial tires front P215/70R15 and rears are P255/60R15 with black sidewalls. The tires are in very good condition.

Wheels The rims are aluminum having five wide spokes in light gray with a polished bare aluminum outer rim.

Special Features

This vehicle was a southern U.S. vehicle with no body rust. The vehicle was mechanically rebuilt about 12 years ago. The transmission was built by Kiesler specifically for this vehicle.

Comments

This vehicle appears to be well maintained in very good condition. This is an excellent weekend cruiser. I feel the fair market value of this vehicle is \$XX,XXX.00 CDN including applicable taxes.
